Jump out of bed as soon as you hear the alarm clock!! You may also find it useful spending five minutes each morning saying to yourself: "Every day in every way I am getting better and better" Perhaps it is a good idea to start a new day with the right frame of mind.

dxoigmn**subterranean homesick alien/.

The breath of the morning i keep forgetting. The smell of the warm summer air. I live in a town where you can't smell a thing, you watch your feet for cracks in the pavement.

Up above aliens hover making home movies for the folks back home, of all these wierd creatures who lock up their spirits, drill holes in themselves and live for their secrets.

They're all up-tight.

I wish that they'd swoop down in a country lane, late at night when im driving. Take me on board their beautiful ship, show me the world as id love to see it. I'd tell all my friends but they'd never believe, they'd think that i'd finally lost it completely.I'd show them the stars and the meaning of life. Theyd shut me away.

But i'd be alright. i'm just up-tight.

wake from your dreams
the drying of your tears
today we escape
we escape

pack and get dressed
before your father hears us
before all hell breaks loose

breathe keep breathing
dont loose your nerve
breathe keep breathing
i cant do this alone

sing us a song
a song to keep us warm
theres sucha chill sucha CHILL

you can laugh
a spineless laugh
we hope your rules and wisdom choke you

now we are one
in everlasting peace

we hope that you choke that you choke
we hope that you choke that you choke
we hope that you choke that you choke
